Human Biochemistry - Writing Assignment

One of the requirements of this course is to complete one (1) writing assignment per semester. Attached in this packet are the assignments' guidelines, instructions, and due dates. Please keep the following expectations in mind:

1. Each assignment is worth 100 points.
2. Read instructions carefully and complete all aspects of the assignments.
3. Be thorough and complete in your work.
4. The assignment was developed to correspond to chapters/topics we will be studying throughout the term. You must submit your work by the deadlines designated in your syllabus and on the assignment sheet. No late assignments will be accepted.
5. All written assignments must be typed and double-spaced.
6. Please use APA rules of citation.
7. The deadline for submission is on 1 December 2023.
8. You can only submit through the TURNITIN Portal. An ideal similarity index for submission is 20% or below and the AI must be 0%.
9. To submit, you may log in to the Turnitin site using your university credentials:
https://www.turnitin.com/login_page.asp?err=3400&lang=en_us
10. When you log in successfully, use the following credentials to join my class and submit:

Class ID: 40631800

Enrollment key: NHB7203

HOW WILL YOUR ASSIGNMENTS BE GRADED

Each of your assignments is worth 100 points and will generally be graded by the following criteria:

1. Demonstration of critical thinking, scholarship, and ability to connect and apply the material
2. Comprehensiveness and completeness of your responses
3. Adherence to the written instructions
4. Spelling and grammar

PARTICULARS	INSTRUCTION	MAX.MARKS
1. Originality	The assignment must be original. It must pass through a plagiarism check. The acceptable standard is a 30% similarity index	30

Type/Length of activity: Informal or formal essay

PROCEDURES & CONTENT Gather Data:

Write a reflective essay on the importance of Human Biochemistry to nursing practice.

Write Your Report:

1. Select a title that reflects the importance of psychology to nursing.
2. Introduce the topic in the context of nursing and human biochemistry.
3. Make a formal or informal discussion about your topic
4. Make a conclusion

ASSIGNMENT FORMAT:

1. A paper about 2 - 4 pages long
2. The paper must contain the following sections:
 - Introduction
 - Discussion
 - Conclusion
 - References if there are any
3. Typed, double-spaced, with 1-inch margins
4. Proofread for spelling and grammatical errors – and indent paragraphs
5. Provide in-text citations and reference any sources using APA format

Assignment Checklist

Before you turn in any written work, be sure you ask yourself the following:

- ☐ When is it due? _____
 - ☐ Is it typed and double-spaced?
 - ☐ Did I answer all of the questions?
 - ☐ Are my answers complete and thorough?
 - ☐ Did I explain answers in my own words and avoid copying text from my textbook or other sources?
 - ☐ If I needed to take information directly from another source, did I use quotation marks and cite my source (including the textbook), by indicating the author, publication date, and page number?
 - ☐ When I provide my opinion, belief, or idea about something, did I also explain why and support my answer?
 - ☐ Is my work proofread and free from grammatical errors?
 - ☐ Do I understand what I wrote?
 - ☐ If someone who did not know much about the topic I am writing about, understand it better after reading my paper?
 - ☐ Do I have a backup copy saved?
-
